

# FreeStyle Libre 3

CONTINUOUS GLUCOSE MONITORING SYSTEM

## Compatible Devices, Apps, and Software

Below is a list of devices, apps, and software that can be used with the FreeStyle Libre 3 Sensor.

### **Devices:**

FreeStyle Libre 3 Reader

### **Apps:**

FreeStyle Libre 3 app

### **Software that you can use to upload and store Sensor glucose data from your Reader or App:**

LibreView Software

*This list will be updated as other devices, apps, and software are evaluated by Abbott Diabetes Care. Use of your Sensor with devices, apps, and software that are not listed may cause inaccurate glucose readings.*

The circular shape of the sensor housing, FreeStyle, Libre, and related brand marks are marks of Abbott.
